## ANTISEPTIC WIPES

**Antiseptic Wipes are ideal for cleaning those minor cuts and grazes. Just wipe away the dirt and grit, leaving the wound clean and ready for protection.**

The special ingredients recognised universally as an antiseptic, will help toward keeping the wound free from infection.

Once the wound is clean, cover the wound with a clean dressing

Each sachet contains one wipe that should be used once and then disposed of. Dispose of used wipe sensibly.

**Supplied in Packets of 10 Sachets
