EYE WIPE

Use a new wipe for each eye.

Just squeeze a few drops of the purified water into the eye and use as an eye wash or gently wipe the eye lid with the tissue to ease away any debris in the eye.

If eye or surrounding area is damaged seek medical advice.

Clean and easy to use, simple, handy and convenient solution for an annoying little problem

Each sachet contains one wipe that should be used only once and then disposed of. Dispose of used wipe sensibly.

Supplied in Packets of 8 Sachets
6 packets per Tray
